The teachers plan many hands-on activities in art, nature, cooking, music, drama, and literature which can be explored at varying levels by children at different stages of development. Each session has a theme, but there is always time for free play, for reading a book in the shade, or for examining an interesting plant on our wonderful playground. Camp Co-Op & LEAP Camp provide an exceptional experience for young children and offer a unique program. Camp Co-Op & LEAP Camp teachers are on staff at the Fayette Cooperating Preschool. They are sensitive to the needs of young children and are experienced in working with multi-age groups. Camp staff and adult volunteers provide an adult/child ratio of 1:4.

Camp Co-Op & LEAP Camp are operated by Fayette Cooperating Preschool, which was established in 1951. Co-op Preschool is a non-profit, non-discriminatory, independent educational institution, licensed by Kentucky's Cabinet for Health and Family Services.
