

Camp Co-Op 2021

A Creative Half-Day Program for Young Children
ages 3-8 (as of June 1, 2021)

Camp Co-Op will offer **lots of fun** this summer. Children ages 3-8 may attend two days per week (mornings) or four days per week (afternoons) for one to three sessions. Children must be fully potty trained to attend camp. In order to meet COVID regulations, each camp group will have 15 students and the groups will not overlap. **Morning camp will have two options, either Monday/Wednesday or Tuesday/Thursday from 9 am to 12 pm, and afternoon camp will have one option, meeting Monday-Thursday from 1-4 pm.** The total cost of a camp session (registration plus tuition) will be \$220 to attend all 8 days (afternoon class only) or \$120 to attend 2 mornings/week or 4 mornings total. Full day camp will not be an option. *The registration fee of \$20 is non-refundable. However, should your plans change, camp tuition is fully refundable prior to May 1.*

The teachers plan many hands-on activities in art, nature, cooking, music, drama, and literature which can be explored at varying levels by children at different stages of development. Each session has a theme, but there is always time for free play, for reading a book in the shade, or for examining an interesting plant on our wonderful playground. Camp Co-Op provides an exceptional experience for young children and offers a unique program. Camp Co-Op teachers are experienced at the Fayette Cooperating Preschool. They are sensitive to the needs of young children and are experienced in working with multi-age groups. Camp staff, with adult volunteers, provide an adult/child ratio of 1:4.

Camp Co-Op is operated by Fayette Cooperating Preschool which was established in 1951. Co-op is a non-profit, non-discriminatory, independent educational institution, licensed by Kentucky's Cabinet for Health and Family Services.

Parental Work Commitment

*****NO Parental volunteer days are required.** However, parents will receive a \$25 discount on camp fees for each day that they volunteer to work in the camp classroom. **We may have limited work days available.** You may request the opportunity to work when you register. If we have space for you to volunteer, you will be assigned days. Once your work days have been assigned, you will be responsible to trade or find coverage for those assigned days if you are unable to fulfill your commitments. A calendar of work assignments will be sent via SignUp.com for use in trading work days if needed. If you have limited availability, please indicate such in the comment box at the end of the registration form.

Adult volunteers must have required background checks on file at the school. (Parents who are new to the school and want to volunteer at camp must pay for the required background checks in addition to the camp fees. The minimum fee for background checks is \$35.)

CAMP CO-OP 2021

FIRST SESSION June 7-17

“Marvelous Monsters” with Cindy Hayden
9 am–12 pm, Monday/ Wednesday or Tuesday/Thursday
1 pm–4 pm, Mondays through Thursdays

Roar! Grr! Gahhh!!! Monsters come in all shapes and sizes. Some are happy, some are sad, and some are a little grumpy. At this camp, make monster art, dance to “The Monster Mash”, read books such as “Go Away, Big, Green, Monster!” and explore the world of friendly monsters.

SECOND SESSION June 21 -July 1

“Insects Galore & the Great Outdoors” with Tracy Whitaker
9 am–12 pm, Monday/ Wednesday or Tuesday/Thursday
1 pm–4 pm, Mondays through Thursdays

Creeping, crawling, slithering creatures are everywhere at Camp Co-op! Make bug catchers and hunt for arthropods outdoors. Explore worms and make a worm farm. Enjoy a visit from an entomologist. Eat ants on a log and sing “The Ants Go Marching In.” Explore the great outdoors at camp!

THIRD SESSION July 5-15

“Creation Station” with Jane DeRossett
9 am–12 pm, Monday/ Wednesday or Tuesday/Thursday
1 pm–4 pm, Mondays through Thursdays

Create works of art and science at one of our many Creation Stations! Campers will build with wood and tools in our workshop, create designs in our glue gun station, build “robots” with loose parts, and experiment with household chemicals. Imagination will be the guide for these creative weeks.
